Tabung Anugerah ANSERI 2013

Assalaamu'alaikum dan Salam Sejahtera,

1. We have been discussing on an award-based motivation to students and teachers at our beloved MRSM that hopefully can translate to better SPM result for MRSM Beseri this year, hence improve our MRSM current ranking from now on.

2. So on Friday night 27th September 2013, in our scheduled meeting we discussed to create a Tabung, which we can call it Tabung Anugerah ANSERI (TAA). This tabung will now open and continue open throughout the year and at all the time into the future.

3. Of course, the main objective for this Tabung is to raise fund to sponsor awards for Malam Anugerah ANSERI. This year we plan to sponsor 'small' awards, due to short time we have, in conjunction with MRSM Beseri's Graduation Day that will take place on 12th October 2013.

4. It was proposed that awards of RM 1000 each plus a certificate and a trophy to be given to the best student of each subjects – there are 12 subjects altogether. On top of that we will award RM5000 plus a certificate and a trophy to teachers/department with the most A scored for a subject.

5. We're communicating this to Cikgu Salim today and open the Tabung for all Anserians to contribute any amount sincerely to the Tabung. We have already received pledges from individuals to sponsor awards for three subjects thus far.

6. Those who want to contribute please use our Anseri's Maybank Account for fund transfer as follows:

Anseri (Persatuan Bekas Pelajar MRSM Beseri)

MBB 564490303504

Email: derma@anseri.org

Ref: TAA

7. Tabung Anugerah ANSERI itself can be expanded in future to provide other assistances to MRSM Beseri as well as to Anserians family, when In Shaa Allah the tabung itself is in good shape.

8. This is a voluntary act of giving back we've been echoing about within our ANSERI family. Let's open our hearts and our wallets to contribute to our beloved MRSM and ANSERI family, and may Allah rewards our sincere contributions abundantly.

On behalf of

ANSERI Executive Committee 2013-2015.

P/s: The final awards may change after our discussion with Cikgu Salim, the current principal at our MRSM.
